SPACE HEATERS

Smart wall mounted panel heater

The new CNS Trend electric panel heater looks the part in any room thanks to its slimline, modern design. Featuring a smart control unit, the CNS Trend range of electric space heaters have smart eco features including a 7-day timer, open window detection and safe frost/ overheat protection. Available in three sizes, all heaters in the range are compact at only 10cm deep but generate great levels of heating comfort.

Product features

› Wall mounted convection electric heater
› Smart controller with backlit LCD and self-learning capability
› Modern, slimline design
› 7 day timer, 120-minute short-time timer, frost protection and open window detection
